

Empowering Affirmations

I am fearless

I am who I want to be

No one can make me feel inferior

My strength is greater than my struggle

I'm getting stronger everyday

I have the courage to say "No"

I wink at a challenge

I have the power to change my story

I use my failures as a stepping stone

I can do this

I was not made to give up

I choose what I become

I'm brave enough to climb any mountain

I inspire others

It's not their job to like me, it's mine

I do not fear the fire, I am the fire
